Robert Walser

'Selected Stories' collects forty-two short fictions written by the Swiss writer between 1907 and 1929. Walser wrote longer works, too, but the bulk of his writing was in shorter forms and most critics seem to agree that this is where he shines. He has been compared to Kafka and Beckett, but is distinctively different from either.

Selected Stories (FSG Classics): Amazon.co.uk: Robert ... this is a remarkable collection. there is a deceptive simplicity to walser that belies his authorial prowess. these stories elicit a lasting effect not unlike strolling amid a snowfall: a sense of enchantment, breathtaking beauty, and dazzling serenity countered by fragility and potential devastation. refined, resplendent, and slightly rueful. of all these exceptional stories, "kleist in thun," "helbling's story,"
"the little berliner," and "the walk" shine brightest. "we don't need to see ...

Selected Stories by Robert Walser - Goodreads
Walser's Selected Stories is a very satisfying little volume containing some very short stories and a smaller number of longer ones. The most substantial story seems to be The Walk.

A writer who devoted loving attention to the smallest...
Walser is many things: a Paul Klee in words, maker of droll, whimsical, tender, and heartbreaking verbal artifacts; an inspiration to such very different writers as Kafka and W.G. Sebald; an amalgam, as Susan Sontag suggests in her preface to this volume, of Stevie Smith and Samuel Beckett. This collection gathers forty-two
of Walser's stories.

Selected Stories - Robert Walser - Google Books
A fine review John. This was one of the first NYRB editions I bought, and like Trevor I’ve just started on their recent collection of Walser’s Berlin Stories. We have much to thank the folks at Hudson St for. Walser seems to me an enormously accessible and sympathetic writer, yet also in some essential way removed from us and the world.

Robert Walser: Selected Stories | Asylum
Book of a Lifetime: Selected Stories, by Robert Walser "We don’t need to see anything out of the ordinary. We already see so much."
These lines, at the end of the single-page story "A Little Walk"...

Robert Walser (writer) - Wikipedia
In her preface to Robert Walser's Selected Stories, Susan Sontag describes Walser as "a good-humored, sweet Beckett." The more common comparison is to "a comic Kafka." Both formulations effectively describe the reading experience in these stories: the reader is obviously in the presence of a mind-bending genius, but one characterized by a wry, buoyant voice, as apparently cheerful as it is disturbing.

I write to you from the land of Walser’s Selected Stories. The edition with the Susan Sontag forward, and the man-standing-alone-
with-umbrella bad cover. Everybody, including Sontag, says Walser’s at his best with his stories. I reread Jakob Von Gunten, Walser’s most famous novel, just to be sure, and have found that everybody is correct. The stories are the masterpieces.
